PAPER NUMBER

DATE MAILED: 11/13/2002

Notice of Possible Fee Increase on October 1, 2002

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2002, then the amount due may be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there may be an increase in fees effective on October 1, 2002. See Revision of Patent and Trademark Fees for Fiscal Year 2003: Notice of Proposed Rulemaking, 67 Fed. Reg. 30634, 30636 (May 7, 2002). Although a change to the amount of the publication fee is not currently proposed for October 2002, if the issue fee or publication fee is to be paid on or after October 1, 2002, applicant should check the USPTO web site for the current fees before submitting the payment. The USPTO Internet address for the fee schedule is: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of any fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after October 1, 2002 (or mailed with a certificate of mailing on or after October 1, 2002), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

Part III - DETAILED ACTION

1. This office action is in response to applicant's amendment filed on 10/09/02.
2. Claims 1 and 4, the abstract and the specification have been amended.

Response to Arguments

3. Applicant's arguments filed on 10/09/2002 have been fully considered and they are persuasive. The amendment is sufficient to overcome the prior art of record.

Applicant's arguments on page 10 of the remarks that "the Examiner refers to claim 9 in an apparent discussion of the stated of claim 8. The applicant respectfully requests clarification of the status of claim 9". The examiner agrees. All the claims were addressed in great details in the Office Action mailed on 07/31/02, and it was a very clear and obvious typographical error regarding claim 9 on page 10 section 8, which it was meant to be 9 instead of 8 on the first line.

Examiner's Statement Of Reason For Allowance

4. The following is an examiner's statement of reasons for allowance:

Claims 1-9 are allowable because the prior art does not anticipate or suggest the combination of all the components of the claimed apparatus for an electrode arrangement for a sensor on a substrate.

Regarding claim 1, the prior art of records do not teach all the combined components means, including wherein on a surface of a dielectric substrate between two electrodes a number

Art Unit: 2858

of conductive islands which are not or are not essentially connected with one another, are applied as a two-dimensional area arrangement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
